(a) whether it is a fact that there is a pressure from WTO to reduce different kinds of subsidies on exports; and

(b) ifso, what are the details thereto?

THE MINISTER OF COMMERCE AND INDUSTRY (SHRI MURASOLI MARAN) : (a) and (b) No. Sir. there is no pressure from the WTO to reduce different kinds of subsidies on exports. The WTO only provides a legal framework to members, under which they are obliged to operate their subsidy regimes. While export subsidies on non-agricultural products are covered by the Agreement on Subsidies and Countervailing Measures, the agricultural subsidies are covered by the Agreement on Agriculture.
